GARAGES: **2**

Traditional yet modern is the best way to describe this 2218 sq ft, 4 bedroom, 2 ½ bath home. The large master suite is something to get excited about with it's generous 5 piece bathroom. And wait until you see the size of the walk-in closet!. The adjoining garage with entry through the mudroom provides convenient access directly to the open kitchen designed with an island and free flowing access to the Great Room.
